I will never sale another one

The hammer is cocked back

They musta seen the shit in
his car and hurry up and
snatched it and threw it by
him to look like he had it on
him u saw body cam videos

He had a ankle holster

I hope he wiped my prints off of it

Shit me too!

I can get time for that and they

Shit me too!

I can get time for that and they
would burn me

Well hopefully he did but I'm
sure all the police had their
hands on it bare so it should
be fine

I hope so

I was really hoping it wouldn't
be the one. But you know I'm
anna now for the fact on

I'm still hurt

I feel like it's my fault hr is
dead

I know but there's nothing
nobody can do now

I'm trying to figure out what
business they even has with
him they were in the area
serving a warrant for a
completely different person

I can't see these letters to

Caitlin

He was very aggressive

And talked loud

The body cam video just
showed him backing away
from the car and you couldn't
hear him say anything

I don't know what to say

I know this crazy... do you
want some company? I don't
have the kids...

keith been putting me through
and it keep getting worse
smch

I understand

I'm gonna hit u up after she
get here, you still gonna be
awake?

Should be, what else do lonely
people do

in action, or rather,
inaction.
